

Post Hammer - Manual / Hydraulic Tilt (swinground)

OVERVIEW

Browns tractor mounted Manual Swing Round/Hydraulic Tilt Post Hammer is ideal for the farmer looking to install/repair stock fencing.

With simple pin action to position the swing round into five positions, mast angle adjustment via a hydraulic ram, adjustable legs, 200kg hammer and rubber topped post cap to protect posts. This is a cost effective but versatile Post Hammer.

FEATURES

- Cat 2 three point linkage
- Weight of hammer 200kg
- Mast tilt controlled by hydraulic ram with check valve
- Simple pin action to position swinground into five positions
- Rubber topped post cap protects posts
- Spirit level on mast for straight driving
- Adjustable legs on mainframe and mast
