

Post Hammer - Hydraulic/Telescopic (swinground)

OVERVIEW

Browns tractor mounted Hydraulic Swing Round Post Hammer with Telescopic Arm is ideal for the farmer/contractor looking to install large amounts of fencing quickly.

The Post Hammer has hydraulically operated swing-round and telescopic arm giving 400mm of side shift, which ensures that the post hammer can be positioned exactly where it is required. Hydraulic mast tilt in four directions and three height adjustable legs, enable the post hammer to work uninhibited on undulating ground. The 200kg hammer is capable of knocking in straining posts whilst the rubber topped post cap protects the posts.

FEATURES

- Cat 2 three point linkage
- Weight of hammer 200kg
- Hydraulic swing round
- Hydraulic telescopic arm, giving 400mm of side shift
- Hydraulic mast tilt in four directions
